LEADERSHIP DEVELOPMENT AND DISCIPLESHIP

ABOUT US

Timothy School of Ministry (TSM) is the official Training and Development arm of the Church of God of Prophecy in the UK.

The school delivers courses designed to promote the personal development and learning of new and experienced Christians and Christian leaders, who are keen to realise their potential and develop their service within the Kingdom of God.

We do so by offering regular and bespoke learning and skills training.

Courses offered aim to meet the needs of a broad range of ministries in leadership, counselling, teaching, pastoral, and other areas.

Courses are offered on a flexible, part-time basis to accommodate those with personal circumstances that will not allow for full-time study.

Richard A Trotman
Principal

Most courses are hosted at the main Campus in Kempston Bedfordshire.

However, we also use regional satellite facilities to bring classes closer to major cities. Some courses are offered online either in part or in full.

But you should keep a clear mind in every situation. Don't be afraid of suffering for the Lord. Work at telling others the Good News, and fully carry out the ministry God has given you.

2Tim 4v5

Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth.

2Tim 2v15
